# The Oracle of Bluegrass Bacon

*Every record, every show, every tape: who played with whom. Find your way from any picker to any other.*

**Scan to explore it.**

This one is Justin Myles Holmes's: every picker on it is a way in.

A line: they played together. Gold: a Permanent Release (an etree tape, or Creative Commons). Thicker, bigger: more together. The thin ones further out: two hops away.
